~~George Carlin Expressions and Sayings~~

expressions should be encouraged within their classroom relationships. One way to stop yourself translating and therefore increase your speed of comprehension and production is to learn all your vocabulary without the use of your own language. Accuracy is something to be expected later on, in the meantime intention and will come first.

~~Everyday Expressions—Ryerson University~~

English idioms, proverbs, and expressions are an important part of everyday English. They come up all the time in both written and spoken English. Because idioms don't always make sense literally, you'll need to familiarize yourself with the meaning and usage of each idiom. That may seem like a lot of work, but learning idioms is fun, especially when you compare English idioms to the idioms in ...
