2000 Mustang Gt Engine Swap | Mustang Forums at StangNet
I've got a 2000 v6 mustang. The engines got 160000 miles on it so I dont see it living to much longer. I've been looking at a complete 98 cobra engine running 305 hp. It comes with everything down to the oil pan for 2900. Just wanted to know everything that I'd need to do from suspension to transmission and wiring.

V6 to V8 swap Mustang
I'm sorry if I came across that way, the last thing I would want to do is deter you, if you're hell bent on doing the swap. I'm all for interesting projects and offering up any help/technical advice that I can, but going from a 3.8 V6 to a 5.0, in a car that would otherwise have received a 4.6 may, or may not have some unforeseen obstacles to overcome.
