It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

A M Klein The Father Of Canadian Jewish Literature Essays

Melanie Klein is regarded as one of the founders of ‘Object Relations Theory,’ a field of thought that developed from Freud’s psychodynamic theory. This collection of theories discusses the effect of the internalized relations with primary caretakers during infancy (i.e. objects), and their unconscious influence on the nature of future relationships.
