With a final exam looming, many students find this extra information helps them organize where to invest their study time. The Examinations Institute developed this method using paper-and-pencil first and then moved it to an online environment. It is designed to compliment the use of the study guide which can be used in a more tutorial mode.

~~Study Guide Books | ACS Exams~~

As the published ACS Study Guide articulates, chemistry knowledge should be more than sets of formulas and techniques. Rather, it is a coherent set of knowledge that enables comprehension of the submicroscopic (chemical) world. As such, the ACS tests seek to uncover such genuine understanding.
