African American Culture Essay | Bartleby

Few areas of American genealogy research pose as much of a challenge as they search for African American families. The vast majority of African Americans are descendants of the 400,000 black Africans brought to

North America to serve as slaves in the 18th and 19th centuries.

African-American History And Culture

African American history month, with a bit of tweaking, is still a beacon of change and hope that is still surely needed in this world. The chains of slavery are gone—but we are all not yet free. The great diversity within the black community needs the glue of the African American past to remind us of not just how far we have traveled but lo, how far there is to go.

Free African History Essays and Papers - 123HelpMe
