Jonathan Roberts Tyson Hughes was chairman of the economics department at Northwestern University and a professor of business institutions there. He was an economic historian whose approach focused on individuals and their influence on history.

American Economic History by Jonathan R.T. Hughes

Assets: The book incorporates years of historical and economic debate in succinct explanations. The writing is clear, very witty and tells the STORY of American Economic History in an engaging and meaningful way. The book contains more of an historical perspective with an economic lens, than an economic principles perspective applied to history.
