which throws light on the ill-effects of industrialization. After industrialization, the rich class began exploiting the working class. Not only streets were now under government control but also nature (e.g. the Thames River). In the poem, the poet talks about the psychological as well as physical exploitation of the poor people by the rulers, the priests,

Analysis William

Blake's poem, " London ", is obviously a sorrowful poem. In the first two stanzas, Blake utilizes alliteration and word choice to set the mournful atmosphere. Blake introduces his reader to the narrator as he "wanders" through the "chartered" society. A society in which every person he sees has "marks of weakness,...
