All of the seven chakras are important and interconnected with each other. Usually, balancing one chakra will create change in another chakra. It is important though to balance the root chakra first , before we proceed to others, or we will lack the stability and rootedness necessary for true transformation and personal growth.

After thousands of years of cultivation, humanity has learned a whole lot about the cannabis plant. However, some elements of the herb still remain a mystery, including aspects of its anatomy. Stipules are small, leaf-like appendages that form at the nodes of cannabis plants—where the branches intersect with the main stem.

I don't often cry in death scenes when I'm reading, I think because so many characters are marked for it by the narrative, but I have to admit, Harry Potter and the Goblet of Fire is one that did actually. It wasn't Cedric dying, but the moment when his spirit asks Harry to take his body back to his father. It even manages to get me in the movie.
