Antitrust And The Bounds Of Power By Giuliano Amato

ANTITRUST AND THE BOUNDS OF POWER - GBV

Our veteran antitrust counselors and litigators understand, in a comprehensive way, the finer points of competition and antitrust laws and the practical consequences of alternative business options. We focus, first and last, on helping clients achieve their business objectives within the bounds of antitrust and competition laws.

Antitrust and the Bounds of Power: The Dilemma of Liberal Democracy in the History of the Market by Giuliano Amato

Amicus Brief in Seattle Case: Antitrust and Worker Cooperation

The paper is intended to contribute to the existing debate on scrutiny of reverse settlement agreements under antitrust laws and structuring of rule of reason analysis in these cases. With this paper, the author intends to demonstrate that presumption regarding patent strength and validity can be misleading in the assessment of anticompetitive nature of agreements.

Situating Patent Validity in Antitrust's Rule of Reason...

Antitrust enforcement and the protection of intellectual property rights are means to a common end -- creating an environment that promotes the innovation necessary for economic success in an era characterized by rapid technological change.

Part 3 Antitrust and the bounds of power: drawing together the threads - original aims and later evolution, in the USA, in Europe, the limits to antitrust law, facing concentrated, competitive firms, changing markets - what remains?; the dilemma of liberal democracy - the dilemma of liberal democracy within the dilemma of efficiency, towards autonomy of European antitrust from other common policies, the global market and tomorrow's antitrust.

Amato is head of the Italian Antitrust Authority, a professor of law at the European University Institute in Florence, Italy, and a former Prime Minister of Italy.
Antitrust and the Bounds of Power: The Dilemma of Liberal ... 
Antitrust and Competition A key distinction in economic viewpoints that goes oft-unnoticed is between pro-business and pro-market. A good bellwether to where someone stands on the pro-business/market continuum is his/her stance on antitrust policy: pro-business usually favors incumbents, while pro-market calls for aggressive antitrust enforcement to facilitate competition.

Antitrust and the Bounds of Power: The Delimma of Liberal Democracy in the History of the Market. [Giuliano Amato] -- Since it first came into existence, antitrust law has become progressively more technical both in its form and in its manner of enforcement.
