Lee and Kathleen Nadeau, eds., Asian American Identities and Practices: Folkloric Expressions in Everyday Life Tangherlini, Timothy R. Counseling the Culturally Diverse - WordPress.com This information is very accurate of Asian culture. Even though I am a second-generation Asian American born and raised in the United States, I practice many of these values because it is how my parents, first-generation refugee Vietnamese Americans, raised my siblings and me. Culture of the United States - Wikipedia In sum, culturally competent treatment of Asian-American/Pacific Islander individuals should not be the responsibility solely of Asian-American/Pacific Islander treatment providers. Little effort has been made to recruit and train Asian-Americans and Pacific Islanders for careers in mental health, resulting in limited numbers of Asian-American/Pacific Islander clinicians. Cultural Values of Asian Patients and Families ... The culture of the United States of America is primarily of Western origin, but is influenced by a multicultural ethos that includes African, Native American, Asian, Pacific Island, and Latin American people and their cultures. It also has its own distinct social and cultural characteristics, such as dialect, music, arts, social habits, cuisine, and folklore. Asian Americans & Asian Diversity Cultural Information ...
