Benedict Cumberbatch In Transition

'In Transition' is not a spyglass into Benedict Cumberbatch's personal or private lives, but fans will enjoy it. And as far as 'my' learning process went, I am more aware of what occurs during stage practice, preproduction, and the self preparation an actor must struggle through before he/she can step on stage and become a believable character.

Benedict Cumberbatch: In Transition offers the reader an interesting overview of Benedicts performances to 2012 and analyses some of his key roles to date including his work in general as an actor and as a 'celebrity'. One of the plus factors in this book for me is that it concentrates on his work and not on celebrity gossip.

Benedict Cumberbatch In Transition

Benedict Cumberbatch, In Transition is an exhaustively-annotated and impressively-detailed account of a young actor's career. Some might ask if now is the time for such a book, releasing arguably nearer the beginning of his acting career than the end; however, the transitional aspect gives the tome much of its interest.
