Brodeck is commissioned by the villagers to write a report about the incident. The account he produces – the fable-like novel itself – moves beyond the mere 'report' of the title; Brodeck's Report becomes the tale of a community struggling to come to terms with its past and a testimony to the dark legacy of occupation and war.

review 1: An unsettling fable set in a nameless place and time (that feels very much like Lorraine shortly after the end of the Second World War), Brodeck's Report is a study of the nature of crowds, the fear of the other and the ease with which evil can both triumph and be accepted as a normal part of everyday life. Winner of the Prix Goncourt in 2011, this English translation is a stark and powerful read.

Brodeck is writing a report about 'the thing that happened' in his village and what led up to it at the request of the mayor and other villagers involved. He is also writing a longer report, not for their eyes, which gives much more background and shows that the request is not one he could refuse.

Brodeck's Report (Brodeck) - Philippe Claudel

Brodeck's Report is a dark parable. There is much here that could be termed "Kafkasque" since the novel's atmosphere is thick with a kind of sinister threat, as though something unspeakable was about to happen.
