*Chapter 8 Solutions Acids Bases*

Start studying Chapter 8 - Solutions, Acids, and Bases. Learn vocabulary, terms, and more with flashcards, games, and other study tools.

*Ch 8 Solutions, Acids and Bases Study Guide*

Solutions that are neither basic nor acidic are neutral. This chapter discusses the nomenclature of common acids and identify some important bases. Pure acids and bases and their concentrated aqueous solutions are commonly encountered in the laboratory. They are usually highly corrosive, so they must be handled with care.
