Brett Bartholomew's Conscious Coaching: The Art & Science of Building Buy-In aims to delve deeper into the human aspect of coaching; teaching you how to connect with the individual, the person—and not just the athlete. It points the reader down a path of self-discovery and self-awareness, and the route to becoming a more effective, more impactful coach.

Conscious Coaching Quotes by Brett Bartholomew

Conscious Coaching trains athletes to adapt and adjust to new people, situations and obstacles. It's about matching people with a process through development and a flexible roadmap instead of a rigid system. To do this, you must understand BOTH the art and the science of what you do as well as enhance your understanding of human nature.
