[VBA Setting document defaults - CorelDRAW 2018 - CorelDRAW ...](#)

I need my vertical ruler to read from top to bottom. so that my page origin is 0,0 in the upper left hand corner. Is there a way for the ruler to read with 0 at the top, rather the bottom? I've gone into my ruler settings and have played with the origin settings, but it is not doing what I need. Any suggestions? Lisa
