notation software - music notation software for everyday ...
There are a few main reasons to give music notation software a
try. First, the software can playback the notes you have
recorded, allowing you to hear what it will sound like. When you
use a music notation software, you will also be able to create or
publish easy-to-read music scores.

Notion 6 | PreSonus Shop
Notion 6 from PreSonus is the next revelation in music notation
software.. Yes, there are other offerings of music notation
software, but none that can do what PreSonus's Notion 6 can do
and at a price that others cannot beat.. If you are already
familiar with using music notation software, then Notion 6 should
be a breeze.
