This book served its purpose for my creative writing course as an undergraduate. The essays were as helpful as any writing book can be, and it's a textbook I've continued to hold onto. I liked the setup of the book, dealing with different different genres, and the exercises were helpful.

In one semester my
class worked in four

genres; poetry, fiction,
nonfiction and plays.

The format of this
textbook offers the
works of a wide variety
of outstanding writers
and then uses each
work as a strong
educational tool for
understanding the
writers' specific genre.
