Cut & Assemble Our custom fabric flowers are made using die cutters and molds. Style options include Carnation Lapels, Camellia Brooches, Roses, Daisies, Orchids and almost anything else you can think of! Once the petals are cut we emboss them, often using rare flower molds that are over 100 years old.

Download Cut and Assemble an Old English Village PDF

On its most fundamental level, film editing is the art, technique and practice of assembling shots into a coherent sequence. The job of an editor is not simply to mechanically put pieces of a film together, cut off film slates or edit dialogue scenes. A film editor must creatively work with the layers of images, story, dialogue, music, pacing ...
