### KBTT - Daewoo Doosan

History Doosan Bobcat has been, since its founding in 1977, a company that has focused on heavy construction equipment. It has achieved the high rates of growth through its commitment to the better development of its own construction equipment products and its investment in building a global business model.

### Daewoo Doosan Excavator Electrical Hydraulic Schematic ...

With Doosan® wheel excavators, you'll roll into—and out of—tough jobs. Featuring advanced controls, increased ground clearance and easy maneuverability in tight spaces, these ultra-reliable machines let you accomplish more work in less time.

### Doosan®

From what I've heard the Doosan machines are more or less copies of the latest Daewoo dash 5 series of excavators. The smaller machines are popular around here, especially with urban construction. From my own experience working in an office with one digging a trench for cables right outside, it was a very quiet machine.
