### David Paulides Missing 411

David Paulides is a former police detective who is now an investigator and writer known primarily for his self-published books, one dedicated to proving the reality of Bigfoot, and his Missing 411 series of books, in which he documents the disappearance of people in national parks and elsewhere. Paulides attributes mysterious, unspecified causes to these disappearances, while data analysis suggests that these disappearances are not statistically mysterious or unexpected.

### David Paulides - Wikipedia

He devoted six years to investigating missing people in rural areas. The result? The identification of 52 geographical clusters of missing people in North America. These clusters formed the basis for four Missing 411 books that have garnered widespread acclaim and multiple 5 star ratings on Amazon.com.

### The Books — Missing 411: The Movie

The case caught the attention of David Paulides, author of The Missing 411 books, who was intrigued because the location of the vanishing was at a place called "Devil's Head," which has long had a place in Native folklore as a haunted place inhabited by evil spirits, and which also strangely enough had other strange disappearances that had happened in the vicinity. So compelling was the Demetz vanishing to Paulides, that he created a sort of mini documentary on it, which he showed to ...
