'Democracy Incorporated: Managed Democracy and the Specter ...

Guided democracy, also called managed democracy, is a formally democratic government that functions as a de facto autocracy. Such governments are legitimized by elections that are free and fair, but do not change the state's policies, motives, and goals. In other words, the government controls elections so that the people can exercise all their rights without truly changing public policy.

Guided democracy - Wikipedia

Managed democracy is the application of managerial skill to the basic democratic political institution of popular elections. [16] By using managerial methods and developing management of elections, the democracy of the United States has become sanitized of political participation, therefore managed democracy is "a political form in which governments are legitimated by elections that they have learned to control". [30]

--Chalmers Johnson, Truthdig^[Democracy Incorporated provides] a rare, chilling analysis of intellectual critics of democracy. If democracy means more than occasional elections and protection of those rights that are compatible with economic and political elites' interests, Wolin's analysis of our democratic predicament is shocking, solid, and fundamentally correct."

Democracy Incorporated: Managed Democracy and the Specter ...

Democracy Incorporated does exactly what great political theory should do: it provides a theoretical framework that allows the reader to see the political world anew. It left this reader with an almost nightmarish vision of American politics today, a nightmare all the more terrifying for being so compelling, so vivid, and so real."
