~~'The emperor's new clothes' meaning and origin.~~

It is my privilege to make the first speech, that is at least I thought it was until I realised that I am actually the warm up act for the groom and the best man.

~~Geordie Dictionary A B England's North East~~

It turns out that colour is one of the most of exciting things in the world. Since the beginning colours have stirred our emotions. White chalk was a precious tool in the hands of palaeolithic artists. Gold from the very first civilisations reminded us of the sun...

knee, constricting women's movement and sometimes leading to injury. While this fad mercifully did not stick around for long, the more ...

~~JUDICIOUS | meaning in the Cambridge English Dictionary~~

Edwardian architecture is an architectural style popular during the reign of King Edward VII of the United Kingdom (1901 to 1910). Architecture up to the year 1914 may also be included in this style. Edwardian architecture is generally less ornate than high or late Victorian architecture, apart from a subset - used for major buildings - known as Edwardian Baroque architecture.
