The reason for the 'service' message is that Epson apparently program a counter into the printer, and when a certain number of prints have been completed (or a certain time has passed)the printer flashes up this message and wants you to book an Epson service. Thank you!!! Yay, I don't have to buy a new printer.

Does anyone have or can point me at a service manual for an EPSON Stylus Photo R300... Have the "General Error" problem and the only advice from Epson is to take it in for repair. Any help on tracking down a service manual would be greatly appreciated - though having spent several hours searching am not holding out much hope! Thanks, Roy
