From Sex to Superconsciousness - Osho World

The biggest outlet for man's energy is sex. Sex is a continuous drain, and it should be stopped. No one likes to lose anything, but as I told you earlier, there is an irresistible reason why man overdraws on his energy so much. Because of the blissful glimpse in sex, man is dragged, willy-nilly, into losing energy time and time again.

About From Sex to Superconsciousness This small, infamous volume has been a bestseller for decades. Why? - because sex is our basic life energy, and transformation our

File Type PDF From Sex To Superconsciousness Osho

longing. Osho approaches the whole subject of sex humanly, humorously and scientifically. No one is born an expert on love and

Sex Matters: From Sex to Superconsciousness - Osho ...

What Osho had said that evening was that love was one rung on a ladder that began with sex and ended in samadhi, in superconsciousness. And in no uncertain terms he told them that before they could hope to know anything about love they first had to come to grips with its lowest form, with sex itself.

From Sex To Superconsciousness Osho
Ratings are dependent on how much Osho's philosophy convinces you, how much it shakes your faith in religion and up to what extent it transcends your believe of sex into superconsciousness. Osho is a world revered philosopher and has been accused of controversy.

Editions of From Sex to Superconsciousness by Osho

On 28 September Osho returns to complete the talks to a very large audience at the famous Gwalia Tank Maidan. The series is published under the title From Sex to Superconsciousness, which becomes his most-read book. The press sensationalize and distort his teachings, and libel him the 'sex-guru'. Some quotes from the first discourse on 'Love':

From Sex To Superconsciousness - oshoonline.com

Sex matters to us all. The Osho approach to sex begins with an understanding of how important love is in our lives, while at the same time acknowledges that the journey into love cannot exclude our innate biological energies. With this perspective, it becomes clear that the tendency for religions, and for society in general, to associate sex with sin and morality has
