Ask A Gardening Question | Gardening Know How Q&A

A: This is the most frequent question ever. The answer: when your garden needs it. Stick a finger in the soil and see if it's dry. People want a schedule, but nature doesn't work on a schedule. It either rained or it was hot. Plan your garden so that a lot of it can survive on rainfall once it is established.

Find The Answer To Your Gardening Question - Gardening ...

You can also answer questions or comment on them through the comment section. Here are a few tips to get the best answer for your gardening problems: - Describe your problem/situation precisely - Add a climate zone or location. Recommendations for gardens can vary hugely depending on the local climate!
