The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

The knowledge and skills students need to be prepared for mathematics in college, career, and life are woven throughout the mathematics standards. They do not include separate Anchor Standards like those used in the ELA/literacy standards. The Common Core concentrates on a clear set of math skills and concepts.
