To accomplish that, your heirs would have to pay off the balance with cash from the estate or another source, or take out a new loan. The more likely outcome is that your heirs will inherit whatever equity is left after the home is sold and the lender repaid.

Scenario 6. Your home is seized to pay other debts.

When you've narrowed the field to three insurers, get price quotes. Raise your deductible. Deductibles are the amount of money you have to pay toward a loss before your insurance company starts to pay a claim, according to the terms of your policy. The higher your deductible, the more money you can save on your premiums.
