We had the gizmo pal 2 and the gizmo gadget. This is better than the other two, but not perfect. Pros - better than the older models in terms of the ability to switch the bands to a generic band, 4G vs 3G (i did some research and I think Verizon is going to stop supporting the older models in 2021), there are more options in the app with this device and the data is quicker to load with the new ...
