### Good Care, Painful Choices: Medical Ethics for Ordinary ...

"Good Care, Painful Choices surveys the ethical decisions that must be made by ordinary people who deal with medicine today - ranging from beginning-life issues such as test-tube babies and surrogate motherhood to end-of-life issues such as advance directives, patient refusal of treatment, and physician-assisted suicide.

### Good Care Painful Choices Medical

Written in non-technical wording, Good Care, Painful Choices provides an accessible overview of many of the most common issues facing us today. Father Devine, who recently celebrated the 50th anniversary of his ordination, has spent the bulk of his career in higher education and currently teaches Medical Ethics full time at St. John's University.

### Back surgery: When is it a good idea? - Mayo Clinic

Wearing a wide-brimmed hat or sunglasses can help protect your eyes from UV rays. The College of Optometrists recommends buying good-quality dark sunglasses - these needn't be expensive. Look for glasses carrying the CE mark or the British Standard BS EN ISO 12312-1:2013, which ensures they offer a safe level of ultraviolet protection.
