In contrast to the Seascape the sailing performance of these 18ft open boats is very modest, but their appeal is a combination of simplicity, space for day sailing and a bare minimum of maintenance. The boat can be rigged on a trailer by one person in 15 minutes, yet there's space for up to half a dozen people in the big cockpit and there's no boom to sweep across their heads.

Most of these boats are built to order. Many builders are recognised for a particular type of boat: some build very traditionally, others may use unusual materials or craft techniques. There is a wide range of fit-outs, enough to suit every budget. Almost all such boats are hand-crafted, and take many weeks or even months to complete.
