## About | Work | Kate Braestrup

I'm going to guess most people on this sub aren't as old as me, maybe a majority are in their late teens to early 30s. If you are in this range, even mid 30s, you still have a shot to not only make good friends like I did being the bum that I was, but also to get a date. Especially if you are a teen, that won't be a problem in the slightest.
