However, a word of caution. I had a brief moment of clarity (broke the fluoridation) where it dawned on me. The people running this tyrannical takeover expected this pushback. It's all right there in Operation Lockstep. They welcome it. They planned for it. It's not over. All this means is phase 2 is now coming.

Update (brief) 3/26/2019: Just wanted to ad a couple thoughts though I've still not had the opportunity to really test this thing. The wireless connectivity is proving fincky at best currently - evidently a major app update is coming from Ricoh in April which should address some issue. I really don't use these features so cannot speak to them well.
