It will help you recognise which style most appeals to you and will give you ideas on the essentials you may need to complement your style. All the photos in the book are fantastic and in my opinion the book is worth the expense for those alone. I love your style, how to define and refine your personal style by Amanda Brooks is available at Amazon.

### Book review: I Love your style - how to define and refine ...

This is one of my favorite style books -- and I love style books. The author presents a holistic picture of owning one's own style instead of prescribing what one should wear to a certain place or at a certain age. I love the approach she takes. One's style does not always remain constant. This is represented beautifully in the book.
