uncompromising blitz of facts, sad, mad, bad and funny, making an unanswerable case and doing so brilliantly...the ambition and scope - and sheer originality - of Invisible Women is huge; no less than the story of what happens when we forget to account for half of humanity.

## **Invisible Women by Caroline Criado Perez - Penguin Books ...**

There are several explanations why women begin to 'feel invisible' as they age over 50. Their children have left the nest and have families of their own, retirement age has approached and they no longer feel relevant, they have older husbands, they are now widowed or divorced, they don't have a circle of women friends to share their story and the list goes on.
