[Molecular Biology: Open Access - Open Access Journals](#)

The Journal of Molecular Histology publishes 6 times a year full-length original research papers, review articles, short communications and letters to the editors. Coverage includes studies describing novel cellular or ultrastructural distributions of molecules which provide insight into biochemical or physiological function, development, histological structure and disease processes.

[Cellular and Molecular Biology](#)

The Journal of Molecular Cell Biology (JMCB) is a full open access, peer-reviewed online journal interested in inter-disciplinary studies at the cross-sections between molecular and cell biology as well as other disciplines of life sciences.

[Journal Of Molecular Cell Biology](#)

Publishes authoritative reviews and high quality articles in all areas of molecular and cell biology, especially in inter-disciplinary studies at the cross-sect

[Journal of Molecular Cell Biology](#)

[Cellular and Molecular Biology](#) publishes original articles, reviews, short communications, methods, meta-analysis notes, letters to editor and comments in the interdisciplinary science of Cellular and Molecular Biology linking and integrating molecular biology, biophysics, biochemistry, enzymology, physiology and biotechnology in a dynamic cell and tissue biology environment, applied to human ...

[Molecular Biology of the Cell Journal Impact 2019-20 ...](#)

This journal also allows articles on molecular biology and cell biology. This journal will support the budding scientists, scholars, academicians, researchers, and students by providing Open access platform for publishing their work. This journal will follow the peer review policies and will bode Open access in having quality research output.
