The buttons “Manual setup” and “Next” become only activated after a correctly formatted email address and a password have been typed in. If you choose “Next” and the domain part of your email address is known to K-9 Mail, the connection settings for the incoming and outgoing server are automatically set up for you.

~~Reading E-mail | K-9 Mail~~

I recently began using K-9 Mail. It seems to have good potential, but I can't find any sort of set up manual. One of my questions is what is polling and how does it differ from push email. I come

Download Ebook K 9 Mail Manual

from a BB and understand Push, but polling and setting it up is confusing me. Thanks for the help. Jen
