China Miéville’s urban fantasy novel, King Rat, is an impressive, even daring, debut. It is a Lost Prince story that avoids both black-and-white morality and the standard fantasy-novel adoration of royalty. Furthermore, it is inspired by the unlikeliest of sources, the Rat King legend and the Pied Piper of Hamelin fairy tale.

King Rat was first published by British author China Mieville in 1998, his debut novel. A reader in the speculative fiction genre will certainly make comparisons to Neil Gaiman’s work Neverwhere published in 1996. The setting, tone, and unsettlingly charismatic underwordliness of the two books are too similar to escape association.

King Rat by China Miéville - Pan Macmillan

Distinctive grunge fantasy from a British newcomer. Saul Garamond, bewilderingly arrested for the murder of his father, is spirited out of jail by an oddball who claims to be the King of the Rats. Saul’s mother, apparently, was King Rat’s sister. She fled rat-kind, preferring to join humanity, and married Saul’s father. As King Rat conducts him through London’s reeking underbelly, Saul finds ...

“Saul was going to kill Anansi. They both knew it. Saul was going to kill Anansi and Loplop and King Rat, and Saul was going to die, all in an effort to prove that he was not his rat-father’s son.” — China Miéville, King Rat

King Rat Quotes by China Miéville - Goodreads

His sense of bewilderment at his father’s strange death is the emotional catalyst for his descent into King Rat’s world and I admired the way Mieville shows his emotional and physical transformation, descending into London’s underworld and reduced to eating garbage but at the same time turning it into a matter of triumphant pride.
