Law and Religion - Book Series - Routledge & CRC Press

The relation of religious law to theology

Access Free Law And Theology Cases And Readings

is basic to any faith community. In this article, chiefly in terms of Roman Catholicism, but it is hoped of wider application especially within Christianity, the relation of canon law to theology is examined through papal allocutions to the judges and other members of the Church court known as the Roman Rota.

LAW

Theology is the study of the nature of God and religion. There are different categories of theology: Natural Theology *Natural theology is restricted to the facts concerning God which are revealed in the universe around us. Biblical Theology *Biblical theology is restricted to the biblical revelation of God. Its sole
