These refer to lands for which individuals or groups have acquired ownership titles, either by a deed under the Anglo-American system of land tenure or a land certificate under the land registration act of 1973. Owners of such lands reserve the right to dispose of any portion or the whole land and issue title(s) to individuals or groups.

Since customary law is wide-open to interpretation, its application varies depending on the views of different magistrate courts (6). District and local level land reform offices are unaware of the importance of gender equity to land and lack appropriate operational tools and mechanisms to implement and monitor it.

Customary and Islamic law marriages are potentially polygamous (11). Under customary

law, parties do not have equal rights in matters of marriage, dissolution and right of property because marriage is a union between two families (22). Under customary tenure, women rarely inherit and mostly obtain use rights through their husbands.
