Leadership Transitions How Business Leaders

Leadership transitions are more frequent, yet new leaders get little help. The pace and magnitude of change are constantly rising in the business world, so it is no surprise that senior-executive transitions are increasingly common: CEO turnover rates have shot up from 11.6 percent in 2010 to 16.6 percent in 2015. 7 7.

How to Help Leaders Make Critical Transitions - Brandon ...

Autocratic leadership is a form of management where “authority” is in the hands of one person alone. This person can be the leader, manager, or business owner, who typically has complete control over a project, work area, or whole business and makes decisions with little to no input from group members.
