Risen: A Reverse Harem Epic Fantasy (Rise Of The Iliri ... Refreshingly different with characters that drew me in page after page. Lust entangled with love and compassion made for a potent mix for this lover of romance. A novel skirts into the dark but still offers the promise of a bright tomorrow. I am looking forward to starting the second book as it sounds to be just as entertaining

I enjoyed his first edition, and I am marking up the second edition with highlighter and notes. This book is packed with expertise and wisdom. This book supercharges your R programming skills, package development, etc. Personally, I focus on teaching base R, and this book demystifies the R advancements (ggplot2, tidyverse, etc.), their rationale, and their efficiencies.
