My LG dryer model:

DLE7177WM takes a long time to dry

clothes. I have a

service manual for the

dryer, but it is not very

detailed. I tested the

heater pt #

5301EL1001E and it

tested bad according

to the LG manual. I

ordered a new one,

which measures the

same values as the old

one, so I did not install

it.
