Engine is about 6 years old and i been floging the shit out of it since i bought 6 months ago second hand for a hundred dollars. Only things i did to it was put a bigger carby on it (26mm Mikuni ...

Lifan motor experiences?| Motorcycles and Bicycles forum
I bought my generator at Harbor Freight when they were using the old "blue" engine, not the current "black" Predator series. The 13 HP engine has a LIFAN tag on it and has been 100% reliable, starts at -20° with a touch of the electric start, uses no oil, runs butter smooth and quite.

INPUT on LIFAN engines sold at Home Depot | Arboristsite.com
Starting pit bike engines will take some practice. All pit bike engines have relatively high compression ratios and require a "quality over quantity" approach in order to ensure quick start ups and avoid mechanical mishaps. It is important follow this routine the first few times when first attempting to start your bike.
