About Losing My Cool. "A provocative, intellectual memoir" (USA Today)-from a remarkable new literary voice. Growing up, Thomas Chatterton Williams knew he loved three things in life: his parents, literature, and the intoxicating hip-hop culture that surrounded him. For years, he managed to juggle two disparate lifestyles, "keeping it real" in his friends' eyes and studying for the SATs under his father's strict tutelage-until it all threatened to spin out of control.
