The Man in the Empty Suit is book that is so extraordinary that I am having trouble finding the right words to describe it. I was blown away by this book. Cool and awesome just don't cover it, and amazing doesn't either. Unique is clearly part of it, but doesn't do it either, imaginative is part, but not all.

'Man in the Empty Suit' Is a Baffling Read - PopMatters

Deep down, it must really grind Sean Ferrell's gears that Rian Johnson's Looper came out in 2012, since the film shares an awful lot of elements with Ferrell's newest novel, Man In The Empty Suit. A showdown between younger and older versions of a protagonist; partnering with and protecting a mysterious woman; a vision of a decrepit future.
