Download here parts of Mastering Physical Chemistry. Included are the content pages, introduction, the mapping of each question set onto exam specifications, and chapters A & B. Download here parts of Mastering Essential GCSE Physics. Included are the content pages, introduction, notes for teachers, and how to use the book.

Mastering Physics Solutions

Student workbook. A key component of College Physics: A Strategic Approach is the accompanying student workbook. The workbook bridges the gap between textbook and homework problems by providing students the opportunity to learn and practice skills prior to using those skills in quantitative end-of-chapter problems, much as a musician practices technique separately from performance pieces.
