## Where To Download Mechanical Engineering Industrial Training Report Sample

Industrial training plays a very important role for engineering graduates of all disciplines. As an engineering student, training can help to implement the concepts that students have learnt in ...

### ~~DEPARTMENT OF ELECTRICAL ENGINEERING Industrial Training ...~~

Industrial Training is important for making an engineering student work ready. To graduate from an engineering program at UNSW all students must complete a minimum of 60 days of approved Industrial Training. It means, not only do you graduate with some real on-the-job experience, you also qualify for accreditation by Engineers Australia.
