Neurological Differential Diagnosis - John Patten - Google ...

edited by John Patten, 449 pp., ill., London, Springer-Verlag, 1996 This book has an excellent feature consisting of frequent and clear but simplified explanatory diagrams drawn by the author himself. These effectively demonstrate such features as athetoid and dystonic posturing, blepharospasm, spasmodic torticollis, and the anatomy of the cerebellum. The diagrams should be quite helpful for ...

Neurological Differential Diagnosis by John P. Patten PDF, ePub eBook D0wnl0ad. This unique text fills the gap between shorter texts, containing little explanatory material, and the compendia, for those advanced in the field of neurological disorders. It is written both for novices and for physicians who require an update on the subject.
