It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

### Nissan Pathfinder Service Engine Soon

Meaning of the Service Engine Soon Light. The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure. Your Service Engine Soon Light Should Not Cause You to Panic

### What Does the Service Engine Soon Light Mean on a Nissan ...

Your Nissan vehicle comes equipped with a service light which reads "service engine soon." This light warns you that there is a problem with the vehicle's emissions control system. This system is very important as it regulates and controls the air to fuel ratio as well as a number of other vehicle functions. A free diagnostic scan can be done to diagnose the problem at most auto parts stores.

Another possible culprit triggering the "service engine soon" light is misfiring spark plugs. Spark plugs on older vehicles (before 1996) needed to be changed every 40,000 to 50,000 kilometers; on more modern vehicles spark plugs can go to 150,000 km before needing to be changed. Faulty spark plugs can cause your engine to misfire.
