~~Domestic Notary Public Record Book at Staples~~

The Code advises keeping your official journal of notarial acts in your possession for at least 10 years from the date of the last entry in the journal (VIII-C-2). The reason for such a long period is that claims against you can come years after you have performed a notarization, and your journal can provide very important documentation if you are sued.

Notary Journals. Maintaining a notary journal is required by law in many states and strongly recommended in all states. Keeping accurate records of the notarizations you perform is one of the best ways to protect yourself from lawsuits. The journal will document when and where your performed the notarization, as well as details essential to the signing.

~~Amazon.com: notary journal book~~

Some states mandate that their notaries public record every notarial act they perform in a notary record book (also called a journal, register, or log). A well-maintained notary record book that contains the signatures of the signers confirms that the notary public followed proper notarial procedures at the time of the notarization.
